Introduction

INTRODUCTION

Legal basis

1. The Commission on Audit (COA) Memorandum No. 92-780, dated 21 September 1992, as amended under COA Memoranda Nos. 2010-012 and 2012-005, dated 06 April 2010 and 20 April 2012, respectively, requires the preparation by the Commission, thru the Corporate Government Sector (CGS) of a consolidated Report on the Salaries and Allowances (ROSA) received by: a) Principal officers and members of governing boards of government-owned or controlled corporations/government financial institutions (GOCCs/GFIs) and their subsidiaries; and, b) Secretaries, Undersecretaries and Assistant Secretaries and other officials of equivalent rank of national government agencies (NGAs), and its submission to the Office of the President of the Philippines and the Congress.
2. The definition and description of the allowances/benefits and related governing laws, rules and regulations, authorizing the grant of the same, which would serve as guide to the field auditors in the compilation of ROSA data were likewise circularized via COA Memorandum 2012-005.
3. The data were culled from the quarterly reports of the field auditors who annually submit information on the salaries, allowances and other benefits granted to its top three officials during the year. Such information include the “nil” data as to the amounts of emoluments received by some government officials who rendered services during the year but received no compensation therefor. Presentation thereof is in line with the 3rd paragraph of COA Memorandum No. 92-780, thus: “If the principal officers, members of the governing board, Secretary, Undersecretary or Assistant Secretary did not receive any salary and/or allowance during the year, the name just the same should be included in the list but should be so identified as not having received such salary and/or allowance for that year.”
4. The consolidated data as presented do not, however, include the intelligence and confidential funds granted to the various government officials as these funds are meant to defray expenses for the maintenance of peace and order and other home defense programs and activities. These amounts do not accrue to the personal benefit of the public official concerned and the same are governed by separate and specific COA Circulars/Memoranda.

5. On the other hand, extraordinary and miscellaneous expenses (EME) are presented as a separate item after the sub-totals for salaries, allowances and benefits, pursuant to COA Memorandum No. 2012-005.

The report's objectives

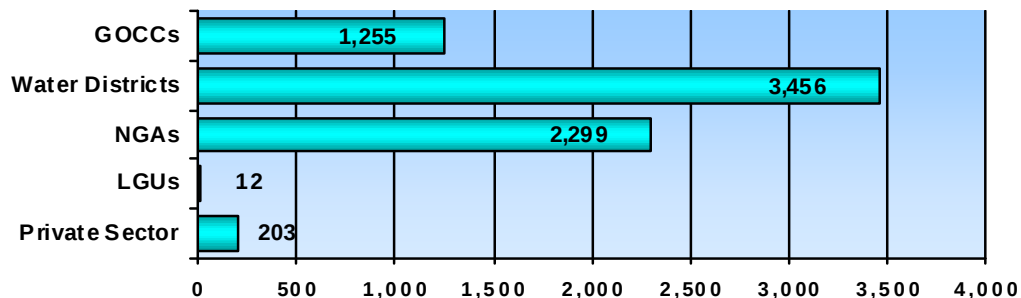

6. The report aims to complement the continuing thrust of government and promote transparency in its operations, through an effective monitoring of the salaries and allowances received by government officials holding multiple positions as well as determine the total amount of emoluments and benefits received by them from the different government agencies/instrumentalities with which they were affiliated.

Structure and contents

7. The General Appropriations Law and other sources showed a total of 880 government offices that paid salaries, allowances and benefits to its government officials. These reports pertain to government agencies/instrumentalities comprised of 622 GOCCs (inclusive of 477 water districts and 20 stand-alone GOCCs located in the regions) and 258 NGAs (inclusive of 117 state universities and colleges and stand-alone NGAs operating in the regions).
8. Featured herein are the reports from 868 government agencies/instrumentalities representing 98.64 percent of the 880 expected reports. To facilitate the timely preparation of the report, the Chairperson, this Commission, required submission of data on a quarterly basis.
9. For the Corporate Government Sector, data from a total of 580 quarterly reports from the various GOCCs/GFIs are herein presented. For the National Government Sector a total of 564 quarterly reports from its eight Clusters comprised the herein consolidated data.
10. Expected at the regional level were 2,412 quarterly reports from 603 agencies comprised of state universities and colleges, water districts and 20 other stand-alone GOCCs. Included in the herein consolidation were 2,364 quarterly reports from the various regional level offices.

11. A total of 7,225 government officials from the 868 government agencies/instrumentalities comprise the CY 2012 Report on Salaries and Allowances. This total consists of 4,711 officials and members of the governing boards of GOCCs and GFIs (inclusive of 3,465 officials of water districts); 2,299 officials of different national government agencies; 12 officials from Local Government Units (LGUs); and 203 private sector representatives with no data as to their mother units. Following is a graphic presentation on the distribution of the government officials included in the report.

Distribution of government officials comprising the ROSA

12. Private Sector representatives refer to the officials/officers from private companies, associations and private individuals that are affiliated with government agencies/instrumentalities. Annex B provides the list of private sector representatives and their respective position(s) held.
13. Annex C is the list of local government officials appointed as members of the board of various GOCCs.
14. For brevity and to facilitate identification, acronyms of the various government agencies were used in the report. Featured in Annex D are the government agencies and the corresponding acronyms used.
15. The data submitted by the field auditors from the various government agencies were categorized into seven (7) major nomenclatures as follows:
- a. Basic salary;
 - b. Personnel economic relief allowance/additional compensation;
 - c. Allowances;

- d. Bonus, incentives and benefits;
 - e. Extraordinary and miscellaneous expenses; and
 - f. Other allowances.
16. To facilitate presentation, the various nomenclatures used in the data submitted by the field auditors were classified according to their similarity as to the nature of expenditures in line with the Chart of Accounts of the New Government Accounting System (NGAS). Presented in Annex E is the composition of the major categories of the allowances, bonus, incentives and benefits as well as other allowances received by the government officials as presented in Part V hereof.
